EX LIBRIS

Foreword

It has been our wish in editing this, the 1930 Annual Leaves, to present for ourselves and for our classmates, the phases of our High School life which we have thought worthy to remember.

If, in the years to come, this annual shall bring back fond memories and renew old acquaintances we shall feel greatly rewarded for our efforts.

TO Mr. Harshbarger, who has acted as
our proctor for three years and, who
has improved his department of Public
Speaking and Debating so that it is
favorably known throughout the state,
we the Annual Staff and Senior Class
of 1930 dedicate this annual.

1926, sixty-two pirates of Education. At our Silas Diller was placed tain. Marcella O. Bamatte with Emory Bamatte as every pirate band Stettler was placed at a Blue and Gold Banner the year we were the Junior pirates. In first and only class great success. We honors this year for time to keep our ship to learn the "tricks fall of '27 our band three. Marcella O. Bamatte the wheel as captain at full speed ahead capture the bigger and Bluffton High School was her able assistant. Carolyn Romey was of pirates was well tivities and athletics.

The following fall our band set sail more determined than ever to capture honors. Carl Smucker was captain and Vernon Steiner was again made first mate and his brother Carol Steiner was second mate. Mr. Harshbarger was made overseer for the second time. During the year we entertained the Freshmen and Seniors. We also managed to entertain ourselves with a party. Our pirates carried off honors in athletics, music and debate.

For the last time our pirates set sail in 1929. At our first meeting Carl Smucker was again elected captain with Elvira Niswander as first mate and Carolyn Romey second mate. As Mr. Harshbarger had proved a capable leader in past years he was chosen for the third consecutive time as overseer. During the year we were entertained by a thrilling and terrifying Hallowe'en party by Mr. and Mrs. Harshbarger at their home.

This year climaxed our success. We were represented in debate, football, basketball, tennis and music. We have learned to some extent all that is necessary for the struggle with life, so we are leaving our battered ship to the oncoming pirates and will set sail in our own ships upon the sea of life.

The Honor Roll

Each year Bluffton High School chooses eight from the Senior Class to make up the Honor Roll. These eight are the ones who have done the most for the high school during their school career. For activities, grades and athletics participants receive points. The following have received the greatest number of points. They are ranked in order according to number of points they have received:

1. Josephine Steiner
2. Carolyn Romey (Valedictorian)
3. Elvira Niswander
4. Dana Whitmer
5. Theola Steiner
6. Carl Smucker
7. Corinn King
8. Mabel Miller (Salutatorian).

Senior Class Will

We, the Pirate Band of 1930, a part of the large Pirate Fleet of Bluffton High School, having obtained the necessary knowledge to sail our own crafts, are leaving the protecting fleet of our Alma Mater, and so do hereby make our last will and testament.

We appoint Mr. E. L. Harshbarger as executor of said will.

To the School Board we leave our sincere thanks for the part they have played in making our voyage pleasant.

To Mr. Longsdorf we leave our deepest gratitude for his aid in making our four-year cruise a success and a pleasant remembrance.

To Mr. Badertscher we bequeath all scraps of paper that he may find.

To the Junior Class we bequeath our home room teachers, our home room seats and our seats in Chapel.

To Miss Stuckey we bequeath all the notes that she is able to capture.

To the Freshmen we bequeath any stubs of pencil lying around without an owner.

To the Faculty we bequeath the task of making next year's class equal to ours.

Dana Whitmer bequeaths his gift of gab to Roland Bixler.

Corinn King bequeaths her ability to crack gum to Helen Hartzler.

Olga Phillips bequeaths her slenderness to Martha Niswander.

Mae Belle Amstutz bequeaths her laugh to anyone who applies.

Elvira Niswander has nothing to bequeath. She is taking him with her.

Carolyn Romey bequeaths her ability to get A's to Ruth Berry.

Burnetta Steiner bequeaths her curls to Dorothy Basinger.

Mabel Miller bequeaths all broken lab material to next year's class.

Marcella V. Basinger bequeaths her dignity to Margaret Hahn.

Helen Williamson bequeaths her quietness to Helen Wells.

The American Government Class bequeaths all markings found in the Ohio Constitution texts to the Junior Class.

The Annual Staff bequeaths all lead nickels and washers found in the movie collection box to the next year's Annual Staff.

Virginia Tripplehorn bequeaths her trueness to one, alone, to Louise Benroth.

Orlo Moser bequeaths his curly locks to Gordon Alderfer.

Robert Maidlow bequeaths his ability to behave to Wade Lora.

Theola Steiner bequeaths her ability to beat the tardy bell by a half second to her brother Cleon.

In witness of Sir Sidney Stettler, to this last official document, the Senior Class do affix their seal of The Skull and Crossbones this twentieth day of May, in the Year of Our Lord One Thousand Nine Hundred and Thirty.

Messages in Wood

Two aged dames clothed in mournful black, and supported by slender canes tottered feebly up the steps to our Alma Mater. They were dealers in antiques and procured priceless monograms and inscriptions for leading men and women.

As they unearthed valuable information they discussed the members of the class of 1930 whose initials and works of art were scattered all through the desks.

The following information was heard:

Corinn King repented her wicked ways and is now fully established as a nun.
Kenneth Gratz is teaching the bass to sing bass.

Burnetta Steiner and Marcella Motter are endeavoring to instruct the newsboys of New York the gentle art of hemstitching.

Mae Belle is a striking divorcee, and has decided that Iowans aren't as nice as she formerly imagined.

Iona Good and Vera Reichenbach are now proprietors of an art store in Bluffton.

Dorothy Badertscher has found her happiness in waving the waven locks of —?

Richard Bixel is the chief pilot in the "Wallace" air corps.

Marcella O. Basinger has won renown by her sweet disposition.

Cordelia Hiestand operates a goat farm in California and is successful in raising many kids.

Orlo Moser and his raven locks are creating a sensation at Hollywood.

Vernon Steiner has been recognized as the most prosperous druggist in Rockport.

Normal Luginbuhl and Marcella Stettler are the first violinists in the Star theatre.

Virginia Tripplehorn has taken Helen Wills' place.

Wayne Galloway is director of a band of wailing trombones.

Wanda Lora coaches the girls' football team at Georgia Tech.

Marvin Crawford and Russel Amstutz are caretakers of the Maple Grove Cemetery.

Helen Williamson has been recognized as the most outstanding scientist in America.

Elvira and Silas live happily together. Silas has taken "Old Man Henderson's" place.

Nina Bish has been made famous by her book on "Inside Dope on High School Life."

Carolyn Romey is a prosperous banker at Mt. Cory.

Kathleen Miller has written a book on "Sarcasm and Gum."

Olga Phillips has also written a book on "How to Keep That Girlish Backbone."

Virginia Ruhl and Carol Steiner have formed partnership. He is an Undertaker and she is a Nurse. They seem to be getting rich quick.

Theola Steiner is a star actress in the play "The Vamp."

Mabel Miller is following the trail of the "pipe liners."

Dana Whitmer is football coach at Notre Dame.

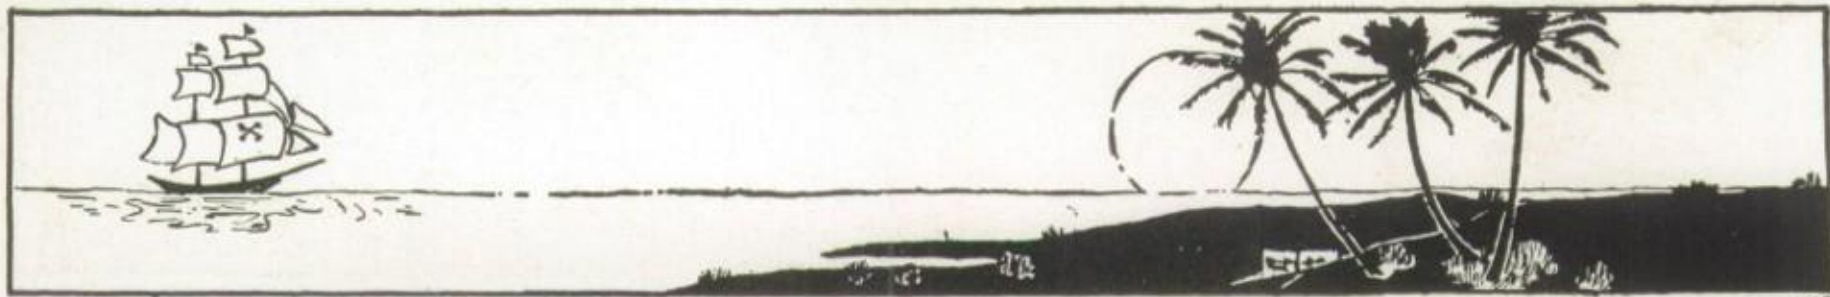

Carl Smucker is a famous band leader. Some players in his band are, Kathrine Kliewer, Marcella V. Basinger, Mabel Bucher, Wayne Zimmerman, Herbert Coon, LaDonna Lauby, Mabel Luginbuhl and Ruth Huber.

Karl Hostettler, a preacher, has converted Rudy Wilkins and Robert Maidlow and the trio are now converting South Africans.

Josephine Steiner is a missionary to Australia.

Marcella Kimmel is the head nurse in a hospital for broken hearts.

With this information, copies of initials, broken hearts and other things, the two aged dames tottered down the steps and away.

At the end of the year we again stopped for a small vacation.

In 1929 we were again out at sea. This year was our most successful year. Members of the class were chosen for responsibility and leadership. Many of our members were in athletics, debate and music. This year is our most successful year in school activities. During the year Howard Tripplehorn, an active athlete, broke his leg. This proved to be a bad set-back for our class. Near the end our class play was given. The name of this play was "Skidding" and proved to be a great success.

And now another voyage is over and we must anchor our ship for a short vacation. Our stormy voyage will soon be forgotten for in the fall of 1930 we will again enroll with our ship as Seniors.

Sophomore Class History

In September 1928, a cast of eighty performers made their debut on the stage of education.

We knew that if our show was to be a success we would need a stage director. We decided that Manley Thompson would be a good one, but, fearing lest he be too overburdened with his duties, we chose Mabel Herr to assist him. All companys need money so we installed Eva Luginbuhl to finance the show.

Finally, someone suggested that we would be certain of success if we added a chief overseer to our staff to see that everything ran smoothly. We promptly voted to let Miss Lapp fill that position.

At first it was hard to adjust ourselves to stage life, but soon everything started to run smoothly. Cast number three gave a reception in our honor to initiate us into stage life. Later we staged a party for ourselves.

Soon, however, the lure of knowledge overshadowed the glory of stardom for one player who dropped out. A few others, too, could not stand the strain of such a life and gave up their careers for other stations. The rest pledged faithfully to come back next year with more Prima Donnas and stars.

In September 1929, we gain took up our work, this time as cast number two. We are slowly advancing to our goal—cast number four. We again went through the ordeal of electing a staff. This time Ralph Locher directed, Robert Balmer assisted, Robert Ewing handled the money and Mr. Stettler was overseer.

Many of our actors and actresses received applause for their fine acting in the fields of athletics, music and activities. The curtain dropped on a successful year.

Freshman Class History

One bright morning in September 1929, there sailed with Miss Lapp as supervisor, a crew of seventy-four boys and girls in search of the treasures of education. After a few days at sea we found that for a successful journey we must choose an able captain and several others to assist him. So, for our captain we chose Don Smucker, and assisting him Dwight Diller, and Gordon Alderfer to take care of any money matters that might arise during the first voyage.

After this we were ready to unfurl our sails of Purple and Gold.

Upon entering the first harbor we were given a royal reception by the Juniors, two years our superiors.

Our crew was represented in athletics (football and basketball), social activities (Girl Reserves and Hi-Y), and in the high school orchestra and band.

In December the breakers rolled high, but with such a talented crew our boat could not be in danger long. Soon the sea calmed and we were sailing smoothly on toward our goal.

All work and no play makes Jack a dull boy; so on February 12, 1930, we forgot our studies and had our first party which proved to be a great success.

Our first trip was a success, but we do not intend to let this end our voyage, for the farther we go we see what a trifle we know, but by annually bettering our boat and crew we shall find that we are arriving closer to our destination, "Education."

Debate

JOSEPHINE STEINER

Josephine was undoubtedly our best debater. She further showed her unusual ability by giving the third rebuttal on both sides in the most important debates. The loss of her keen logic will be missed much next year.

Roland Bixler ROLAND BIXLER

Roland's power in debating lay in his excellent power and his ability to hit all his opponents arguments squarely. He is a Junior and next year should find him one of the leaders in the squad.

Theola Steiner THEOLA STEINER

Theola was the first affirmative debater who proved her point well. Her graduation will cause her fine delivery and enthusiasm to be sorely missed next year.

Carol Steiner CAROLD STEINER

Carold's knowledge of the question proved to be a valuable asset to the affirmative squad. Although he did not face the judge, he was a persistent worker. This year ends his high school forensic activities.

Mae Belle Amstutz MAE BELLE AMSTUTZ

This was Mae Belle's first year of debating. She made great progress during the year. She showed her ability in the Kenton debate. Her graduation will leave a hard place to fill.

Rosella Montgomery ROSELLA MONTGOMERY

Rosella was a valuable aid to the affirmative in many ways. Her persistence and pep will be a great aid to herself and the team next year.

EVELYN GRATZ

Evelyn certainly made the rest work harder to maintain their first berths. She acted as alternate in one debate and in other debates proved to be a valuable asset to the squad. The team is fortunate in having her back next year.

Evelyn Gratz

NINA BISH

Nina's first year of debating showed that her delivery and knowledge of the question were decided assets to the affirmative. The debating squad next year will miss Nina's work, for she graduates.

Nina Bish

Dana Whitmer

DANA WHITMER

Dana, as captain and third speaker of the negative was an extraordinary attacker of the Judge System. This season successfully closes his four years of debate work.

NEVA BADERTSCHER

Neva, as first negative speaker made her first year at debate a great success by the use of her fine delivery and good argument. Next year will find her as a very important part of the team.

GARFIELD GRIFFITH

In Gar's first year of debate he has made a very credible showing on the negative. Great things may be expected from him next year.

"Gar"

HELEN WILLIAMSON

As second negative speaker, in the Celina debate, Helen showed a fine knowledge of the question and unusual ability for a beginner. Her graduation will be a serious loss.

Frances Musselman

FRANCES MUSSELMAN

Frances set a new record for first year debaters, by showing such a constant improvement as to win the judges' praises and give the second speech on both sides in the most important debates. Fortunately she is a Junior.

VERNON STEINER

Although he was handicapped by lack of time, Vernon made a valuable addition to the negative squad. Unfortunately graduation deprives him of a place on next year's team.

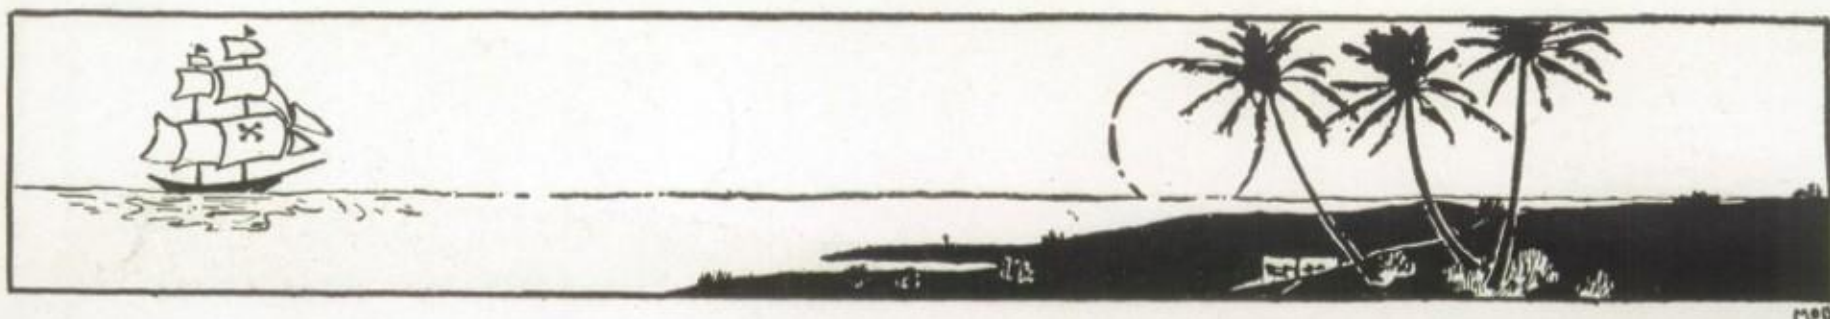

Paul Hirschler
PAUL HIRSCHLER

Although this Junior did not make the team in his first year of debate, his unusual logic and superior knowledge of the question made him a valuable asset to the entire negative squad, and next year's prospects bright.

Weldon Lightner
WELDON LIGHTNER

Weldon as a member of the negative squad showed commendable improvement throughout the year. Since he is a Junior he will be a valuable addition to next year's debating prospects.

The Public Speaking Season

Bluffton's debating class during the last few years has established a good reputation among the neighboring schools. It has successfully met larger schools and convinced them that size does not matter but evidence and eloquence do.

This year, due to the excellent training received from the coach, Bluffton was able to go far toward capturing the championship in the state debating tournament. The affirmative won all of its debates but one while the negative won all but two. When only two debates from the finals, the negative, through no fault of its own, lost to Fremont.

The members of the squads who did not get to debate before judges, took part in a number of non-decision debates.

Although eight members of the squad will graduate, the remaining students show promise of another successful year.

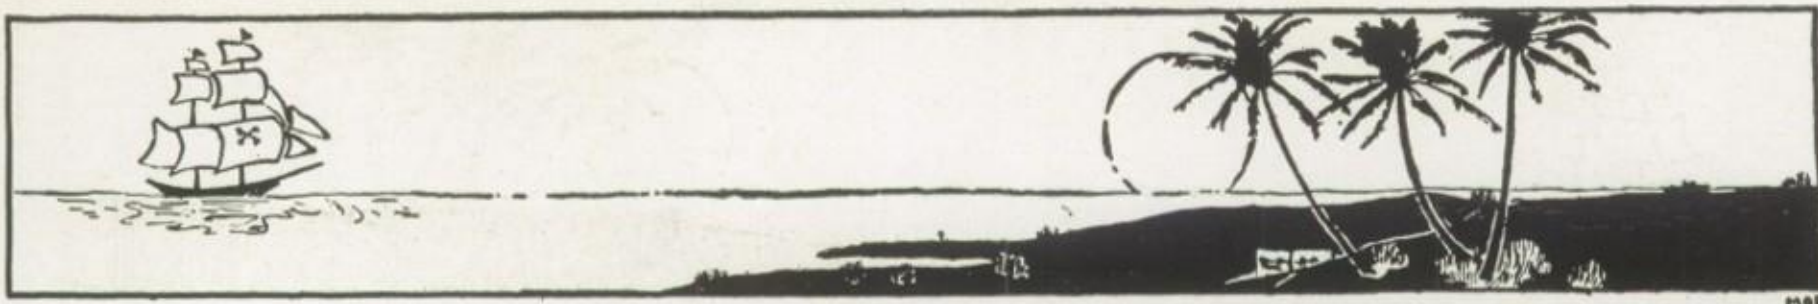

The Public Speaking Department at the beginning of each year gives a play. The plays in the past have been very successful and this season's play was no exception. It was "The Thirteenth Chair," and combined mystery, romance, and honor. It was greatly approved by the public.

The debate class was represented in numerous extemporaneous speaking contests. These contests were held at Wooster, Ohio Wesleyan, Wittenberg and Western Reserve. Bluffton was also represented in the Northwest Ohio Oratorical Contest.

This year's program has been the largest and most successful in the history of the school. Public speaking is filling a real place in our high school activities and many students are availing themselves of the opportunities offered.

Bluffton's debate record since the founding of a debate class:

	WON	LOST
1926-27	5	3
1927-28	11	5
1928-29	9	3
1929-30 (to-date)	8	3

In the spring of 1928 Bluffton High School organized a local chapter of the National Forensic League. Its purpose is to promote greater interest in inter-scholastic debates, oratory, and public speaking. This year sixteen students were eligible for membership. This is the largest number since the founding of the league chapter.

Its outstanding accomplishment was the promotion of class debates which were won by Freshmen. It was the first time in the history of the high school that inter-class debates were encouraged. Great things can be expected from this honorary organization.

The Student Senate

This is but the second year for Bluffton High School to have such an organization. But now it is a vital part of the school and an aid in solving its difficulties. It attempts to see and to solve the students' problems.

It is interested in the solution of these problems and has for one of its purposes, the enacting of such flexible laws and regulations, that problems of student conduct with others are greatly lessened.

It is composed of eleven members who represent every class and activity of the school. It also has faculty members for advisors.

It is not the aim of the Senate to be one of repression but of helpfulness to the students. It carries out its policies for the good of the entire student body and according to school aims. It often acts as a court of investigation in a misdemeanor, and decides guilty or not, in the former case it will pass a sentence and determine punishment. It is a cooperative body between the faculty and the students.

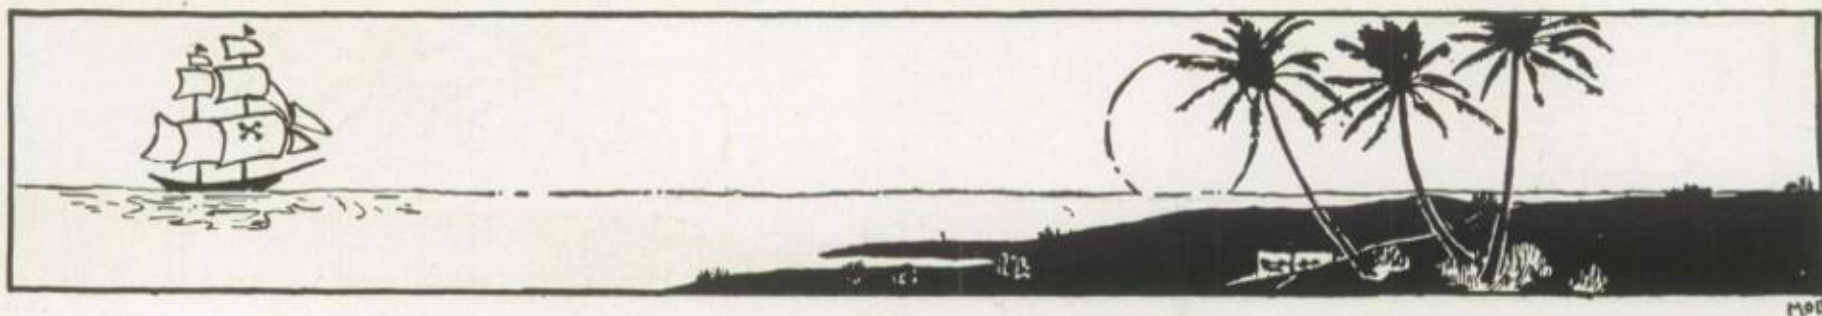

It cannot be overemphasized that its success lies not in the number of decisions and punishments rendered but in the cooperative action with the student body.

AIM—To maintain high standards of conduct and to uphold the school's ideals.

Annual Staff

[illegible]

The Annual Staff

In the beginning of the year the Senior class, aided by the faculty, chose from its members those whose duty it would be to edit the annual year book.

The staff worked hard, in the hope that their book would outclass all preceding ones. Perseverance and cooperation helped to fulfill this purpose.

The annual staff observed closely all school happenings and recorded them in this book.

Although the Annual is the result of hard work on the part of the staff, it represents the entire Senior class. Whether it will be a failure or a success will be determined by the interest and cooperation manifest by the Senior class and by the happy memories it will recall to the minds of all in the future.

Early in September, fifty boys tried out their vocal ability before their new leader, Miss Barnard. She finally picked twenty-three warblers from the group to uphold the honors gained under Prof. Lantz. Every Monday and Wednesday at the fifth period would come the harmonizing tones of the boys, rehearsing their favorite numbers.

The club sang at The Farmers Institute and at chapel programs. Their contest piece "Wolf" was worked out successfully and only by constant practice was it able to reach the final goal which it started to win.

From this club Miss Barnard chose a quartet consisting of Wayne Galloway, Kenneth Gratz, Clayton Bucher and Stanley Niswander. These boys furnished much delightful entertainment for many special occasions at which they sang.

All in all, the Glee Club did fine work and Bluffton has a right to be proud of its musical ability.

Both glee clubs thought misfortune had certainly come their way when they were informed that their former instructor, Prof. Lantz, had resigned. However, things brightened, and they were again on the road to success when Miss Barnard took his place.

Her first task was to choose thirty voices from sixty singers. The club met every Tuesday and Thursday for forty-five minutes. Surely the teachers and pupils will always have fond memories of the melodious songs such as "Lindy Lou," "Russian Lullaby," "A Merry Life" and others. Because of the love for good music and Miss Barnard's interpretation the members looked forward to rehearsals for pleasure as well as learning.

Several high points of the year were singing at The Farmers Institute, at debates and in chapel programs. However, the club was not only successful at home, but Carolyn Romey and Josephine Steiner represented the club in the State meeting of high schools at Columbus.

Throughout the year preparations were made for the eisteddfod at Bowling Green.

The artistic ability and the thorough musicianship of the new director, Miss Barnard, made the activities of the Girls' Glee Club varied and very interesting this year.

After last year's orchestra gained the State Championship of Class B schools, each remaining member set out to uphold that honor for the coming year. Struggling, for the loss of many former members, the orchestra was again on its own feet when new members were added making a total of thirty-five players. The final goal this year was placed at Oberlin on April 25. The two contest numbers were "At Sunset" and "The Hill Billys Dance" by Carl Busch, with "The March of the Boyards" as the select number.

Beside the contest there was other constructive work done on other numbers which the orchestra played at chapel, plays, and other performances.

Honorable mention should be given to those who were chosen as members of the "All State Orchestra." Those representing Bluffton were Virginia Tripplehorn, Norma Luginbuhl, Corinn King and Elvira Niswander.

The credit for the orchestra's success must, in a large part, be given to Mr. Hauenstein our conductor. His untiring efforts to schedule practices and his ability of interpreting and choosing good music, has made the orchestra what it is.

The Bluffton High School Band

Cornets—Robert Balmer, James Bixel, Weldon Lightner, James West, Reed Hilty, Emerson Niswander, Stanley Niswander.

Hark,

Along the street there comes,
The blare of bugles, the march of drums,
Salute to your flag, held high,
As the Bluffton Band passes by.

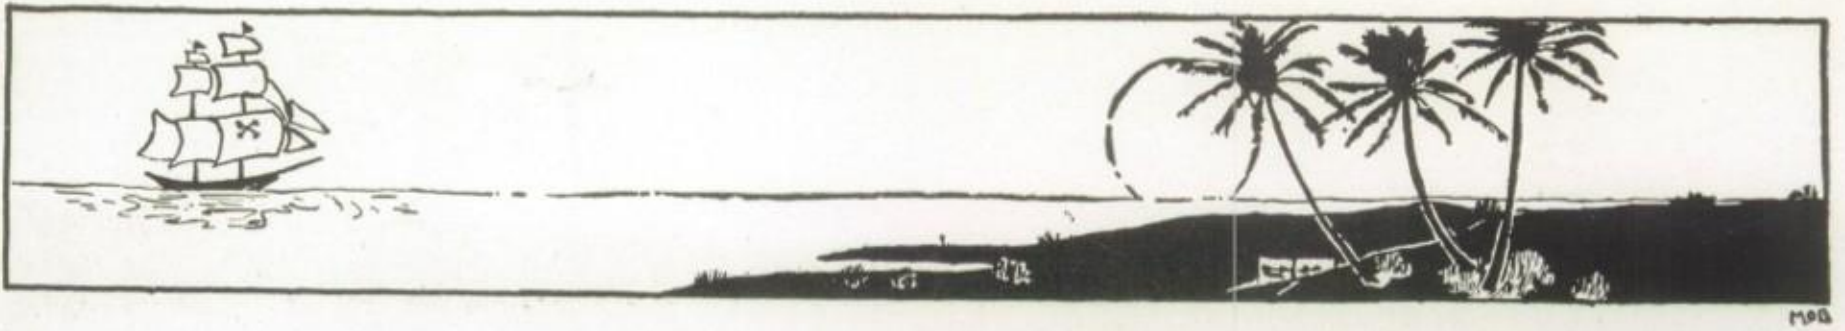

Each Wednesday morning found forty students, busily practicing such difficult pieces as "Bohemian Girl," "Lustspiel," selections from "Faust" and the outstanding "Overtures."

There was not much outstanding contest work done, but the band did compete at a contest at Upper Sandusky, May 17. The selection played was "Atlantis Suite" by Safranek.

A football game was not complete unless the band was there to enthuse at players. Likewise at basketball games the band furnished entertainment. Several times throughout the year the band played at assembly periods. At all these the band performed creditably.

As with the orchestra, much of this credit must be given to Mr. Hauenstein, who through his untiring efforts has made the band what it is.

The Senior play this year introduced something new in dramatics. “Man or Mouse” is a play written especially for school dramatic clubs and has been thoroughly tested in leading high school and universities. Because of this fact it is free from any objectionable features found in New York plays.

The story centers around Russel Van Horn, a young man of high ideals but without a fighting spirit, who is sent to a small community to take charge of a construction gang. He soon antagonizes the leader of the gang and complications arise which are finally worked out with the aid of Peggy Lou, a vivacious young girl from the small town. Comedy is furnished by Nappy, a walking encyclopedia from the small town. Rainbow Runkel, the guardian of the peace, and Old Proby, a Civil War veteran. Other characters are equally interesting.

“Skidding,” the Junior Class Play, centers about the family life of the Hardys. First, Marian, a modern young daughter, comes home with ambitions to enter politics and finds immediate chances to help her father. But Wayne Trenton, who is engaged to Marian, objects to her entering politics.

To make matters worse Myra and Estelle, two married daughters, leave their husbands and come home. Also Grandpa Hardy and Aunt Milly try to aid the family by their advice, while Andy, a young brother, keeps the audience laughing by his unexpected entrances and budding ambitions. Mr. Stubbins, the judge’s campaign manager, makes the political situation more real.

At the end of the play Mr. Stubbins pulls a fast one and gets the Judge nominated, Wayne and Marian forget their differences while Myra and Estelle go back to their husbands.

Rosalie was the mother of Helen O'Neil a pretty girl who was engaged to Will Crosby. Her friends did not know that Rosalie was Helen's mother. One of Rosalie's friends had been murdered, so she, who was supposed to be able to talk to the spirits, had been invited to Wales' home to go in a seance and disclose the murderer. During the seance Wales was murdered. The detectives were called and no one was allowed to leave the room. A net of circumstantial evidence tightened around Rosalie's daughter but as they were about to arrest her the real murderer confessed, he was Philip Mason. Mason was then justly punished.

Mr. Seymore Sites, a very wealthy gentleman was robbed of \$50,000 by his trusted clerk. He reported the theft to a detective agency and to his horror they gave the job to a woman. His pride was greatly injured so he set out to capture the thief and get back the \$50,000 to save the reward of \$5,000 and beat the detective agency at its own game.

He arrived at a hotel, and upon finding his niece and nephew there, warned them that for this occasion he was Mr. Wright. The lady detective arrived at the hotel at the same time and persuaded Wright to remain there for an indefinite time. His clerk, the thief, had also taken the name of Wright and so she looked at him as her victim. Circumstantial evidence formed a web about him and he found himself in a complicated position. A telegram cleared up the mistake. The play ended showing Mr. Sites and Miss Oliver leaving the stage very much interested in each other.

Good Sportsmanship

Athletic activities are taken too seriously in Bluffton.

Too seriously?

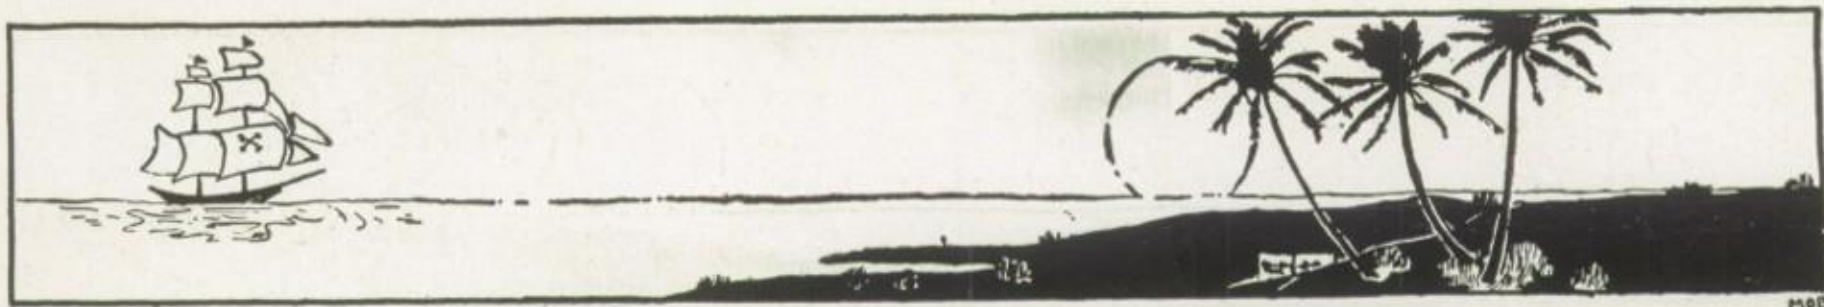

Well, much depends. It is not good for the players, student body or partisan spectators to permit the game to absorb their minds to the point of bitterness.

The Friday and Saturday contests between schools calls for good humor on the part of the players, students and spectators who take a lively interest in them. It is only by keeping sweet that we are benefited. The spirit of the game is animating, stirs latent emotion. A few lusty cheers are good for the people and there should be enough of these at every game.

But it is well to remember that always intense rivalries call for good losers at the end of the game.

Alma Mater

Three hundred strong we sing the song
Of Bluffton High today,
O, worthy art thou of praise.
When in the fray at the close of day
Another team we'll see,
Our cry victory we'll raise.
Our cry victory we'll raise.
Bluffton High School,
Bluffton High School,
Hail to thee, hail to thee
Bluffton High School,
O, Bluffton High for ever,
To us art ever dear;
We hail thy works and pleasures,
Thy name we love to hear.
To thee we will be loyal,
To thee we will be true,
O, Bluffton High forever,
We sing all hail to you.

Hi-Y

THE PURPOSE:

To create, maintain and extend throughout the school and community high standards of Christian Character.

THE SLOGAN:

Clean Speech, Clean Athletics, Clean Scholarship, Clean Living and Contagious Christian Character.

The Junior Hi-Y Club

The Junior Hi-Y has been very successful and active in the school year 1929-30.

The Purpose and Slogan of this club are stated above. Also an informal purpose of the club is to prepare the fellows for the Senior Hi-Y.

It has been customary for the Senior Hi-Y to give the Freshmen a mixer at the beginning of each school year. But this year since the Junior Hi-Y was progressing so well, it was given the privilege to entertain the Freshmen.

The club made a trip to Lima to visit the "Y" and to have a joint meeting with the Lima club. The club also gave a party during the year which was something new for it. At the end of the school year the club gave a meeting for the Eighth Grade boys to tell them something of the work they were doing and their purpose and slogan. The club sent the President to the Older Boys' Conference at Findlay, December 6, 7 and 8.

The meetings are held at the homes of the members. Occasionally outings are taken. At the meetings every-day problems are discussed. Religion is a common topic. After the meetings the boys get together for a good time.

The Senior Hi-Y Club

This year has been the most successful year of the Bluffton Hi-Y Club since it was founded in this high school.

At the beginning of the year the club chose to have a Club Room in partnership with the Legion. This club room was used for meetings, parties, games, such as pool, cards, checkers, ping-pong, dominoes and was also furnished with reading material of the best type.

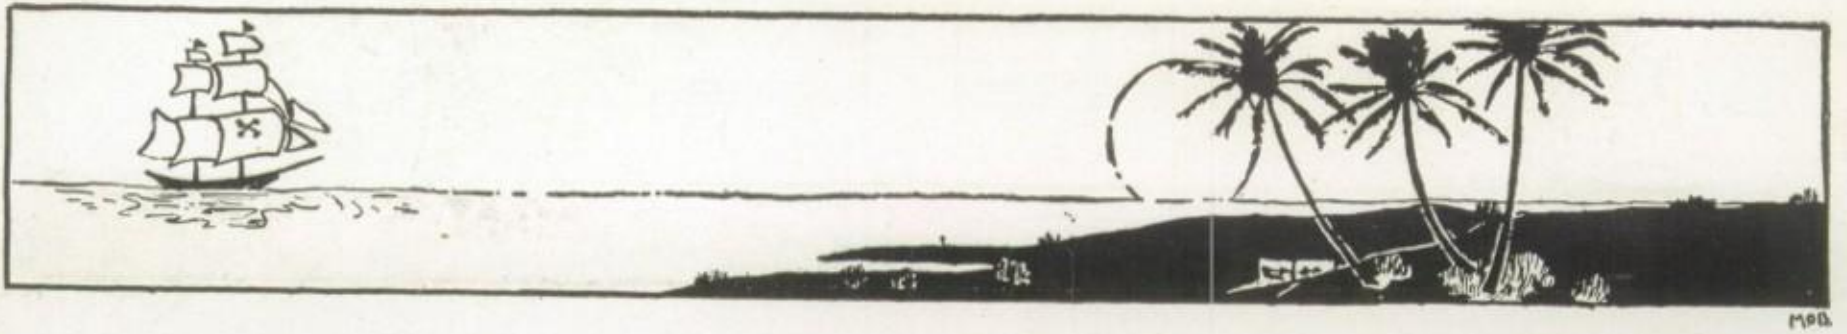

This year the new members were taken in at a colorful induction ceremony which was very impressive. Members taken in late in this year were Weldon Lightner, William Wells, Thomas Perry and John Beagle.

Some events sponsored by the Hi-Y Club are the Father and Son banquet, Marquis Magician program and the "Jack" Hardy program. With this money earned the Hi-Y sends some to World Brotherhood, Education of Foreigners, Camp Nelson Dodd, representatives are sent the conferences at Findlay, Columbus and some will be sent to Camp Nelson Dodd.

The club discusses problems of the school and community and in all undertakings tries to uphold standards of Christian living.

The Club held joint meetings with the Junior Hi-Y, the Y. M. C. A. and one evening entertained the Central Club as a return entertainment received from them earlier in the year. These joint meetings were enjoyed very much.

The Girl Reserve

The Girl Reserve is the one organization in the High School whose purpose it is to help the girls of the High School "to find and give the best." This club is a chapter of the national club and received its charter five years ago. The club was established by the Y. W. C. A. of Bluffton College to give the girls of the High School an organization in which they could discuss the problems of their High School life.

This year has been one of the most successful years of the club, due in a large part to the capable leadership of our president, Elvira Niswander. At the beginning of the school year the G. R. entertained all the girls of the High School. One of the cabinet gave a brief sketch of the G. R. so those unacquainted with the organization might learn something about it. The next meeting was in the form of an initiation at which time all those who wished to become members were taken in the Club. The programs during the year, consisting of special numbers, short talks or discussion, were a great benefit and interest to all the members. It was the program committee, under the leadership of Olga Phillips, which made our programs of such great benefit and interest.

On Thanksgiving the club gave some money to one of our needy families. On Christmas the club promoted the spirit of good will by going caroling. The Y. W. C. A. of the college entertained the G. R. at Ropp Hall one evening. At this meeting the Y. W. furnished the fun and the G. R. the program. The G. R. carried out several projects this year. In February the club held a Mother-Daughter meeting at the high school auditorium. After the program which was centered about the theme "Mother," there was a social time. Later on in the year the G. R. held a public performance. The program consisted of a pantomime "Before and After" depicting life of the Hindu before and after accepting Christ, and also a comedy "Just Like a Woman."

In everything the G. R. undertook they did it with the idea of creating a spirit of fellowship and living up to the highest Christian principles. Under the leadership of the president and the Faculty Advisor Miss Kimmel, the G. R. did help the girls "to help and find the best." To the girls of Bluffton High School, as to the knights of old, came a vision of Holy Grail and a voice through the waiting night:

Follow, follow, follow the gleam;
Standards of worth o'er all the world,
Follow, follow, follow the gleam,
Of the light that shall bring the dawn.

Calendar

SEPTEMBER

- 2—Here we are again. Hello everybody. Welcome Freshies—you'll get used to the new way soon.
- 3—Teachers are nearly wild with helping to straighten out schedules, directing Frosh traffic and other worries.
- 4—It is evident that Miss Stuckey is determined to maintain order in the study hall.
- 5—Eager students (?) are starting with full force on the year's work.
- 6—Freshman boys rather dubious when informed that no initiation will be held this year.
- 9—Football practice starts off in earnest with bruises and black eyes.
- 10—Some conceived the bright idea of having detention periods this year again.
- 11—Classes organize themselves. Politicians rejoice at success, others weep at failure.
- 12—High School Orchestra begins to practice. Do you call that harmony or hominy.
- 13—Still wondering what it's all about Frosh?
- 16—Summer's not over yet. Dorothy Basinger takes a cooling plunge in the Buckeye.
- 17—Mr. Stettler struts a new pair of shoes. Who's the lucky lady.
- 18—Annual Staff begins to function.
- 19—Cordelia thinks that she is becoming absent minded from signing library excuses.
- 20—Everyone is set for the Central game tomorrow.
- 23—Camp Fire girls are all excited over letters from Adrian, Michigan.

ATHLETICS

"It isn't the "forward" or the "guard,"
Nor the individual play.
But close cooperation,
That makes them win the day.

It isn't the individual,
Nor the school as a whole,
But the everlasting teamwork,
Of every 'bloomin' soul.

—Team Work"

Mr. A. J. Robeson

This was 'Jack's' first year with Bluffton High School. He has already placed himself in a position of respect and honor by the athletic teams he has turned out. He knows coaching from A to Z and was able to put it across through his Pirates. A fine spirit of cooperation could always be found in this Pirate leader. He believed in true sportsmanship and so was able to help the team get training which will help them in the battle of life. We are fortunate in having such a capable man at the head of the athletic program.

Jack Robeson.

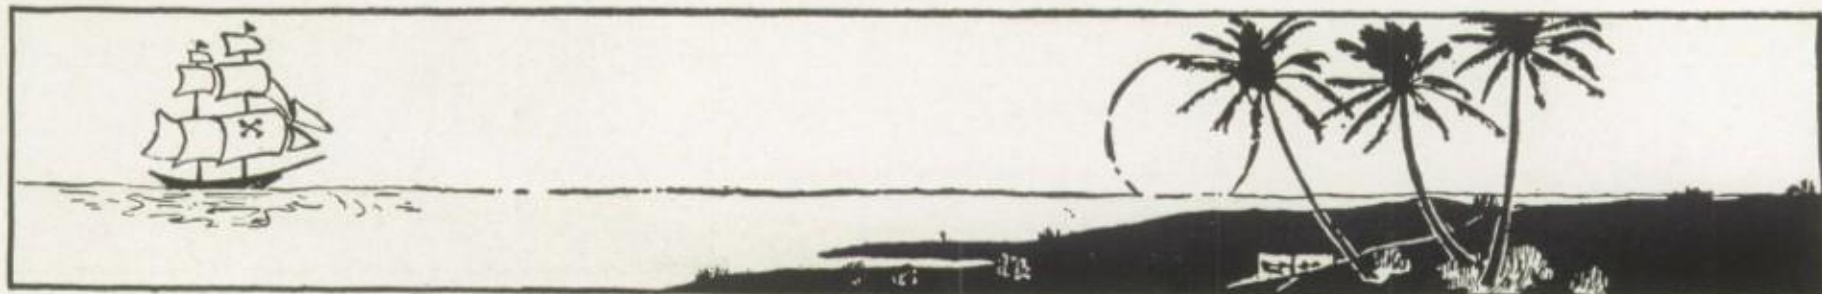

Miss Darlie Stuckey

Miss Stuckey has won a place in the heart of every girl with whom she has worked. She was a friend to every player. She devoted much of her time and energy to turn out a successful girls' team. She was a hard worker and could always be depended on to carry out and to cooperate with the athletic program. Much of the team's success must be placed where it belongs, that is with the coach.

Mr. Sidney C. Stettler

Few realize the responsibility of an athletic manager. His duties are many and his rewards are few. It is the athletic manager who arranges all schedules, who sells the tickets, who engages officials looks after the equipment and sees that the finances are on rock bottom and not quick sand. These are the few duties that Mr. Stettler has to perform. A better manager could not be found. He is interested in clean sports and always strives to make a way for Bluffton High to win honors. Let us not forget our manager when we are thinking of our success in athletics.

Football Season Summary

September 21

Bluffton 31—Lima Central 0

For the first time in ten years Bluffton defeated Central. The Dragon's were unable to stop the crushing Pirate attack. Bluffton opened the game in great style by scoring on the first play as a result of a 60-yard run by Triplehorn. A few minutes later Triplehorn intercepted a pass and again traveled about 60 yards for another score. Ludwig also thrilled the crowd when he grabbed a blocked punt and went 20 yards for a touchdown. Captain Griffith displayed some snappy line plunging.

September 28

Bluffton 52—Van Wert 0

Van Wert did not prove to have much opposition for the Pirates. Triplehorn repeated his feat of the Central game and on the first play went through the line for 50 yards and a touchdown. He also showed the Van Wert team how to catch difficult passes. Griffith's plunges netted a few touchdowns while Smucker made yards by running back punts. Not once did Van Wert threaten to score.

October 5

Bluffton 12—Bellefontaine 7

In the first home game the Pirates conquered the invaders in a thrilling battle. Although outweighed twenty-five pounds to the man, they held the Bellefontaine eleven to striking scoring distance only once. The Pirate forward wall played a good game. Both of Bluffton's scores came as a result of passes.

October 18

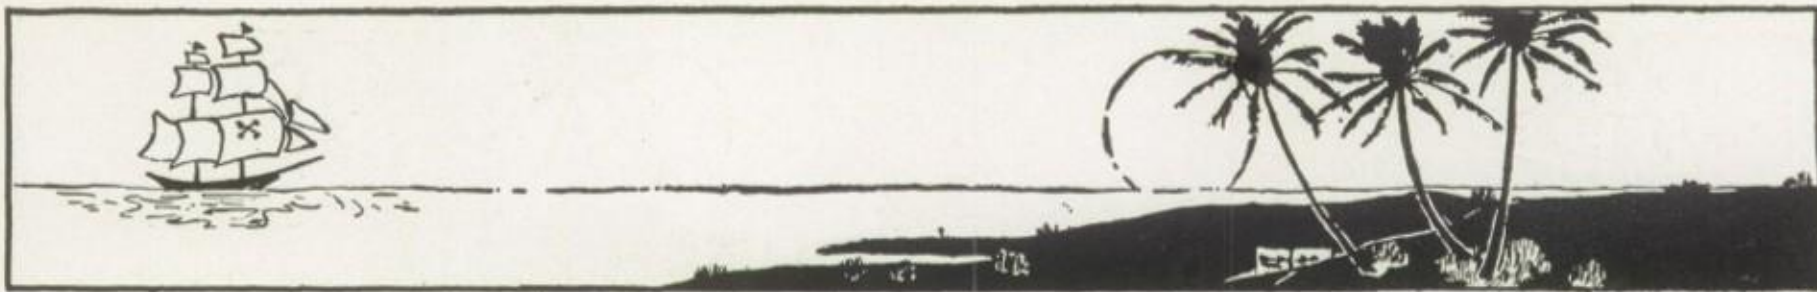

Bluffton 38—Shawnee 0

The Pirates determined to get revenge for last year's tie, romped over the Indians to the tune of 38 to 0. Fine open field running by Triplehorn and accurate passing by Captain Griffith featured in the game. Bluffton did all its scoring in the first half. Shawnee only threatened to score once.

October 25

Bluffton 27—Liberty Twp. 0

In this game the Pirate attack was slowed down by a muddy field. Captain Griffith's consistent gains through the line put the pig skin in scoring distance many times. As the gun cracked Triplehorn received a punt and carried it 50 yards for the last score. The Pirate defense kept Liberty from any consistent gaining. This was the first that Bluffton ever met Liberty Twp. in a football game.

Football Season Summary

November 1

Bluffton 14—Ada 7

Ada, an old rival of Bluffton was turned back in a downpour of rain. Captain Griffith first set the ball in scoring distance with a 50-yard run through the line at the beginning of the game, where it was soon put over the remaining distance. Near the end of the second quarter Triplehorn scored off a double lateral pass when he took the ball for a 65-yard journey. In the second half Bluffton lost several chances to score as a result of fumbles caused by the rain. Alspach did some fine ground gaining.

November 15

Bluffton 0—Pandora 7

Though doped to win the Pirates dropped their only game to Pandora. Overconfidence and underestimation of the opposition's ability did much to defeat Bluffton. In the first half Bluffton had numerous chances to score but failed to do so. The Bluffton line played a good defensive game. Bixel starred at guard.

November 22

Bluffton 44—Van Buren 0

The Pirates out to revenge the previous week's led-down swamped Van Buren 44 to 0. Bluffton gained ground at will and found little trouble in stopping Van Buren's attack. Bluffton's running attack crushed the opposition's defense. Griffith Triplehorn and Alspach starred. Although the Pirates were off par they scored at will.

November 28

Bluffton 44—Columbus Grove 0

For the fourth consecutive time Columbus Grove was defeated in the Turkey Day struggle. It was evident by this time that the Pirates had "come back." The game was played on a snow-covered field. Bluffton took the ball down the field without any trouble. Although Columbus Grove was doped to win Bluffton found little trouble in defeating them. Captain Griffith, Triplehorn and Smucker took honors in this game. This was the largest score by which Bluffton has ever beaten Columbus Grove.

Summary of the Boys' Basketball Season

Bluffton's Crimson Pirates opened the basketball season by tackling Lima Central. Unfortunately the Pirates could not get going and dropped the game by six points. This was Central's third game.

The next game was played at Dola. At the beginning of this game Howard Triplehorn, Pirate forward, received a badly fractured leg and the game was canceled.

The next game Bluffton traveled to Pandora who proved to be a stiff foe for the Pirates. The game was tied many times but near the end Bluffton forged ahead and won 24-18.

Then Bluffton traveled to Vaughnsville to meet an undefeated team on a small floor. This team knew their floor while Bluffton was lost among the rafters and the Pirates lost another game.

Ada was the second invader on the Pirates' floor. They displayed good basketball but were outclassed in every respect by Bluffton. The final score was Bluffton 22, Ada 12.

This year Findlay was added to the list of new rivals. Findlay, a large class A school was given a close run by the Pirates. The game was closer than any other Findlay game had been up to that time except one.

Leipsic, a new opponent for this season, gave the Pirates a good run. The game, which was played at Leipsic was very exciting, and ended with Bluffton in the lead 25-24.

Bluffton was next scheduled to play Kenton. This was the first time in years that Bluffton was in competition with Kenton. The visiting cagers played a stalling game and by these tactics defeated the Pirates by a small score.

Elida was the next Pirate victim. They were also a new rival but Bluffton had little trouble in defeating them. The final score was 35-21.

Columbus Grove, the old traditional rivals, came next. The Pirates lived up to the tradition by defeating them 31-20. The game was not close at any time as the score shows.

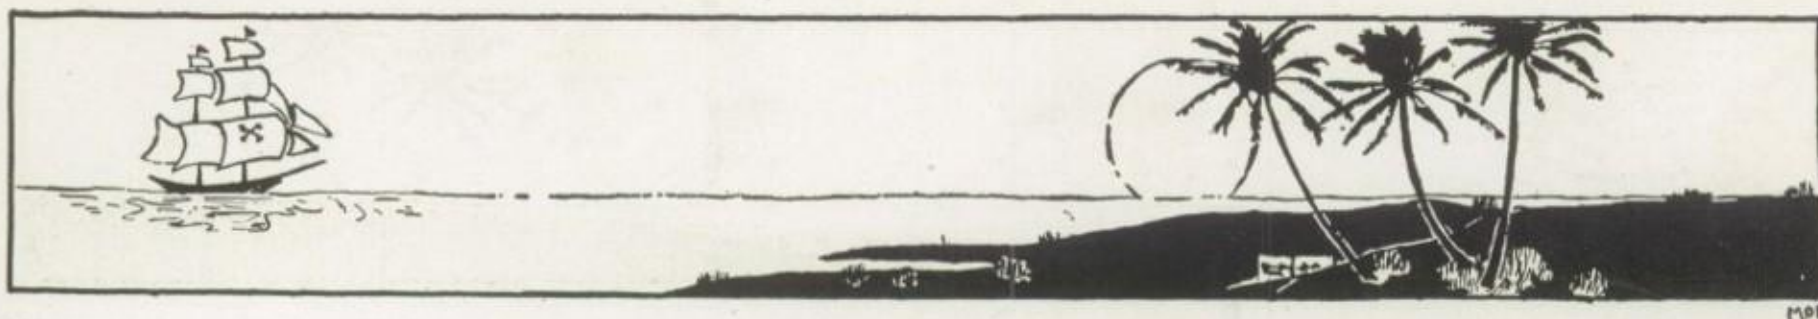

Next came the Rawson game at Rawson. This was the last scheduled game of the season. In the first half Rawson completely outplayed the Pirates. But between halves the Pirate Chietain changed his tactics, infused new pep in the squad and gave Rawson one of its few defeats this year after overcoming an eight-point lead held by Rawson.

A Triplehorn benefit game was arranged between Bluffton and Dola at Bluffton. The Pirates were in their best form and showed Dola what they really could do by snowing them under 42-24.

At the tournaments the Pirates drew Shawnee in the first game. The game was very exciting and it ended with Shawnee in the lead by a lone point. This was the first time in years that Bluffton has not won the tournament.

SEASON'S RECORD

Bluffton 25	Leipsic 24	Bluffton 32	Shawnee 33

Summary of the Girls' Basketball Season

Shakespeare said, "All's well that ends well," but the girls' team this year did both. The year began with two practice games, one with the Alumni, which proved easy going, also another with Mt. Cory which was not so easy but ended in our favor. The first real game of the season was with Dola and will perhaps remain long in our memory because of the accident in the boys' game. In this game we tallied 45 points to our opponents 27.

On the following night with revengeful hearts for last years defeat and for the defeat in football this year our invincible attack took Pandora into camp 42-12.

At Vaughnsville, dancing to keep warm was prohibited, and so we felt it necessary to "warm up" in the game and finally became so hot that the score rose to 48-22.

Ada came to our territory the following week and with the courage of former victories we swept them off their feet with a score of 44-3.

The one strain in our season was a loss to the strong Findlay team. We were defeated 22-19 partly due to the large floor and to an off night. This defeat, however, only spurred the team on to further efforts.

The following week we downed Leipsic 45-30.

Kenton made no headway against our splendid guards and lost by a score of 33-3.

At Elida the score was 26-15.

At the Columbus Grove game the guards were still going strong so the score was 34-17.

Only Rawson remained. The Seniors resolved to wind up the season in a fitting manner. The first team entered in the second quarter to overcome a 13-point lead and win 32-15.

At the tournament our competition was ordinary till we met Shawnee in the finals. Then we met with the most fight and best playing by any team this season and finally in the last seconds we gain a three-point lead and succeeded in winning the sixth consecutive County Championship 30-27.

Tennis

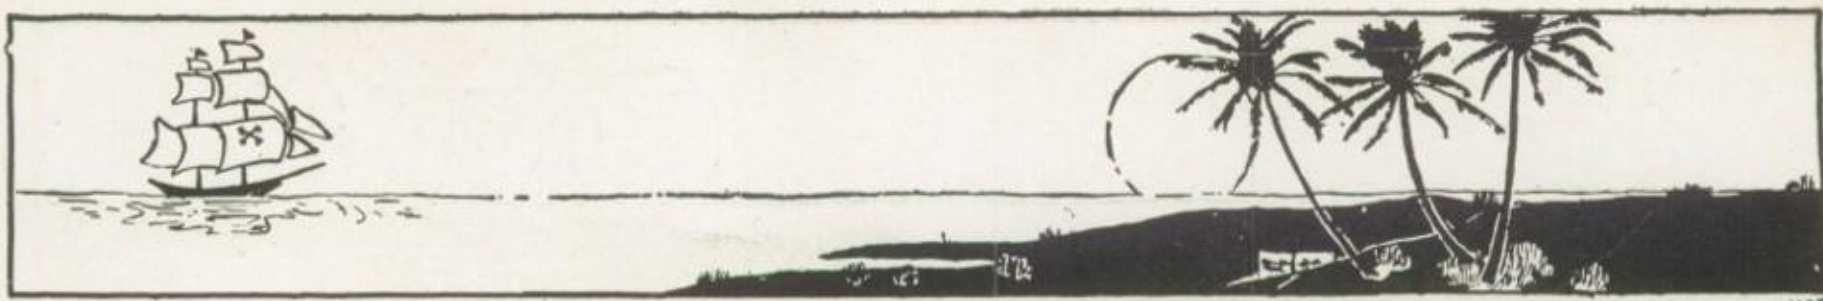

This year Bluffton has been very handicapped in tennis because of the lack of experienced material. Only one regular was back from last year. Yet the squad holds high hopes of having a successful season. Because no matches have yet been held, the strength of the squad cannot be determined. Matches have been scheduled with Bowling Green, Findlay and other neighboring towns.

The coaching is done by Mr. Stettler.

THE SQUAD

Balmer, Alderfer, Romey, Perry, Ludwig, Griffith, Alspach, Steiner,
V. Steiner, Whitmer.

Baseball

Baseball was accepted as a regular sport this year when Bluffton entered a league consisting of teams from Harrod, Waynesfield, Beaverdam, Lafayette and Bluffton.

In the first game this year Bluffton was defeated by Harrod. This happened because of Harrod's experienced team and Bluffton's unexperienced team. Even though the team was dfeated, it shows promise of power. In this game some nice batting was done.

In the second game Bluffton defeated Waynesfield 10-2. Much improvement was shown over the former encounter.

The Pirates have three more games. The Pirates are planning to win all of them. Bluffton had no experienced men since there was no baseball team last year but they are looking forward to a very successful season.

THE SQUAD

Outfielders—Amstutz, Crawford, Diller, W. Gratz, Locher, Maidlow, Smucker, Alderfer and Bixel.

Infielders—Alspach, Basinger, Coon, Moore, Thompson, Wilkins, Griffith, Cap't.

Pitchers—K. Gratz, T. Perry.

Catchers—Zimmerman, Jackson, Niswander.

Schedule

April 11—Harrod vs. Bluffton—There.
 April 18—Waynesfield vs. Bluffton—There.
 April 25—Beaverdam vs. Bluffton—Here.
 May 2—Col. Grove vs. Bluffton—There.
 May 9—Lafayette vs. Bluffton—Here.

The Athletic Scholarship League

Bluffton High School was honored when some of its students obtained the necessary requirements to join this organization. It is open to any boy who has an average of "B" in his studies for three consecutive semesters and a letter in one major sport. Although hard work is necessary to meet these requirements, the hope of being one of its members is a worthy aim

'Howie' is a flashy Bluffton athlete who by his numerous performances has dazzled this part of Ohio during his years in high school. He is a Junior and came into the limelight when a Sophomore by his exceptionally fine playing during the basketball season, although his grid playing is far above the ordinary. Since that time his record is full of spectacular achievements. In 1929 he made the Second All Star team at Columbus in the State Tournament. In the Class B track meet at Columbus he was in the broad jump and dashes. During this year's football season he was the outstanding player. At the Dola basketball game our school got one of its toughest breaks for 'Howie' received a badly fractured leg.

The school is grateful for all he has done in its past activities and sincerely hopes that next year he will be the same flashy 'Howie' fighting for his Alma Mater.

HUMOR

Mr. Harshbarger: (In Public Speaking) "Now the year's grade in this course will be determined by the amount of improvement shown."

Donald R.: "Boy, I'm going to start at my worst."

-:- oOo -:- oOo -:-

Marquis, the Magician: (To Roland B. in his tent) "Now tell us, is there anything in this ten?"

Roland B.: (Very truthfully and deliberately) "Nothing."

-:- oOo -:- oOo -:-

Eleanor Worthington: (In General Science) "What's the horse power of a mule?"

-:- oOo -:- oOo -:-

Miss Kimmel: (In American Government) "What kind of courts have no jury?"

Carl Smucker: "Tennis courts."

-:- oOo -:- oOo -:-

Mr. Robeson: "Good morning, glory."

Mr. Harshbarger: "Hy-ya-cinth."

-:- oOo -:- oOo -:-

This answers the question of why Mr. Longsdorf quit the legal profession and started teaching. He was pleading his first case for a farmer who was suing a railroad company for damages because it had killed some of his hogs. Wishing to impress the jury with the magnitude of the damage he turned to the jury and said "Twenty-four hogs, gentlemen, twenty-four—twice the number of you there in the box."

-:- oOo -:- oOo -:-

Wayne G.: "Hey, I wanna exchange this text-book."

Nelle L.: "Too late, you've had it a whole term."

Wayne G.: "But I've just found out that every other page is missing."

-:- oOo -:- oOo -:-

Say, did you know that in the summer time Weldon Lightner is so lazy that he can't decide whether to stay in bed longer or get up so he'll have a longer time to loaf.

-:- oOo -:- oOo -:-

Mr. Close: (In Commercial Law) "Wayne, is Sidney's Drug Shop a partnership or a corporation."

Wayne G.: "Neither, it's a cooperation."

Mr. Close: "You don't mean that, there's no such type of business organization."

Wayne G.: "Yes, that's what I mean, Armin Hauenstein is the oper-(ation) and Vernon Steiner is the co."

-:- oOo -:- oOo -:-

Mr. Robeson wrote on the back of Kenny Jackson's test paper—"Please write more legibly." The next day Kenny went up to Mr. Robeson and asked, "Say, what was it that you wrote on the back of my test paper."

-:- oOo -:- oOo -:-

Mr. Harshbarger: "Who was the smallest man in history?"

A small voice: "The Roman soldier who slept on his watch."

-:- oOo -:- oOo -:-

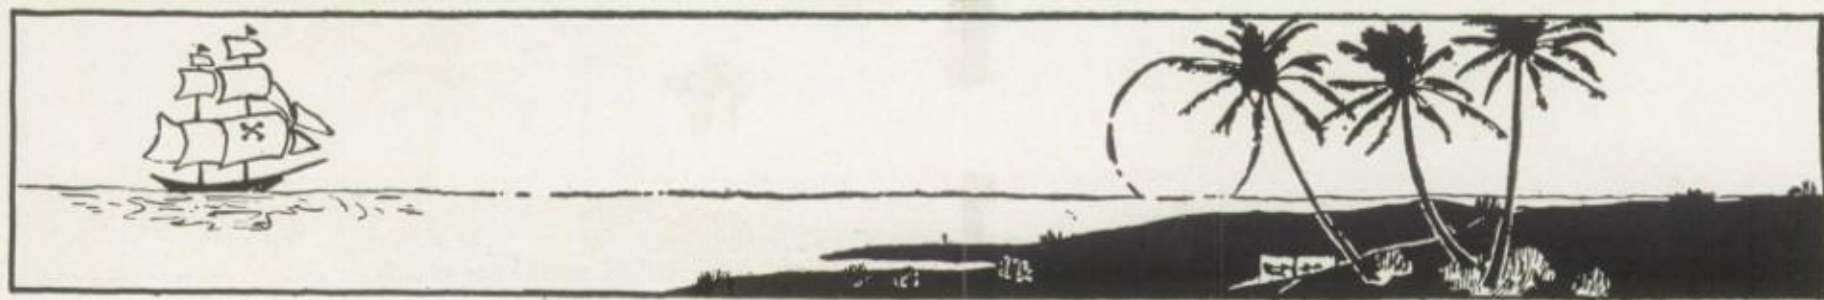

Waitress: "How's the steak, mam?"

Miss Stuckey: (Sarcastically) "Rather small for its age."

-:- oOo -:- oOo -:-

New Idea for Farm Relief

For Seal: Not trying to joint the way to wealth, but to independence; small farms, highly fertilized with real truck farmers.

The Best Yet

Garfield Griffith: “Dempsey's coming back isn't he?”

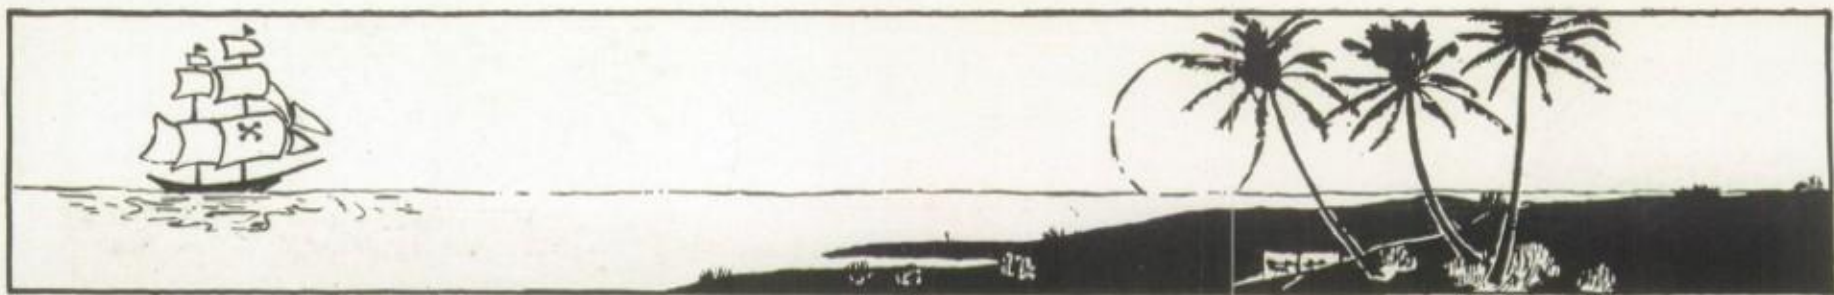

Mr. A. J. Robenson: “Where'd he go?”

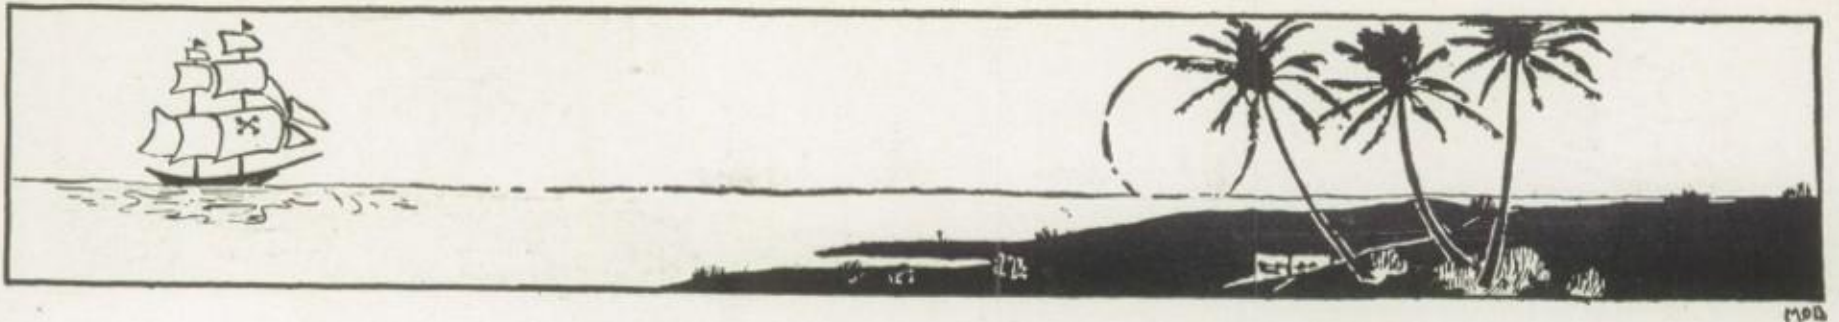

Today we must plan for the school of tomorrow. Not only progress, but the welfare of all the children of the community demand it. To this end we ask the hearty cooperation of everyone, happy in the assurance that when the time comes hearty support will be most graciously given.

The Indian trail zig-zagging through the forest is now only a tradition. The white settler cleared and widened it, but scientific road building blasted hillsides to gain a mile and save half an hour. The new industrial era demanded a direct, smooth, swift, modern system of highways.

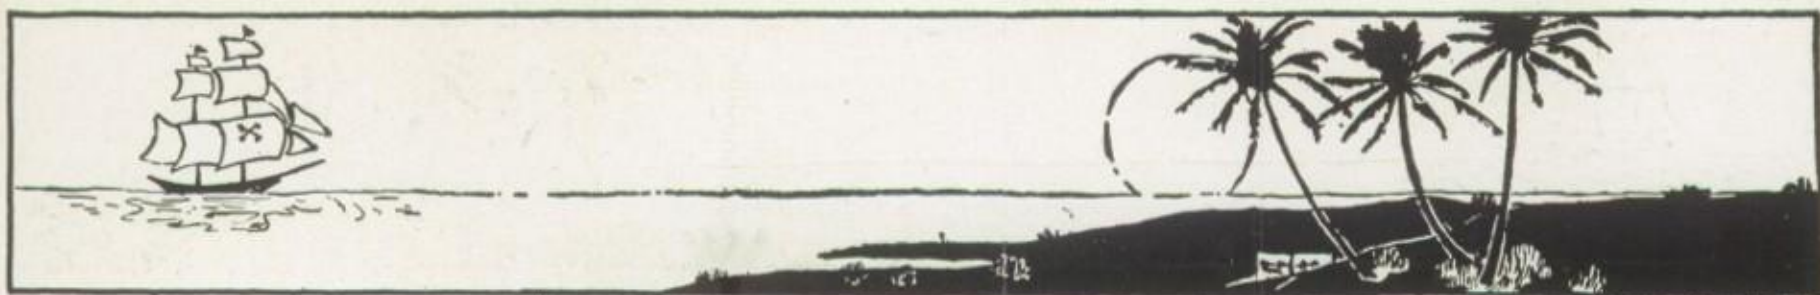

For 38 years Stafford has been a scientific annual builder. Early methods have been improved upon or discarded. Experience has blasted away trying obstacles that eat up energy and block efficient management. Make Stafford your construction engineer and enjoy the direct modern methods embodied in books bearing the phrase
